

New Zealand Society for Dizziness, Balance and Vertigo

3rd Annual Scientific Meeting

2nd and 3rd December 2017

Room AA236, AUT Akoranga Campus, North Shore, Auckland

The third scientific meeting of the New Zealand Society for Dizziness, Balance and Vertigo will be held at the Akoranga Campus of AUT in Auckland on December 2 and 3. Our guest speakers include:

Dr Michael Hoffer (University of Miami)

Professor Margie Sharpe (Dizziness and Balance Disorders Centre, Adelaide)

Professor Paul Smith (University of Otago)

Dr Rachael Taylor (Whangarei Hospital and New Zealand Dizziness and Balance Centre)

Dr Hoffer will present a workshop demonstrating his video goggle system for concussion assessment

Professor Sharpe will present a workshop about treatment for Mal de Debarquement Syndrome

Call for abstracts: please send abstracts for presentation to Dr Denise Taylor (denise.taylor@aut.ac.nz) by November 1
Presentations are 10mins plus 5mins for questions. We welcome case presentations by clinical staff and research presentations.

Costs: \$250 NZSDBV members, \$375 non-members, NZSDBV membership \$100

For **registration** please contact Lisa Seerup: wildmo@gmail.com

We thank **AUT** and **Interacoustics** for their sponsorship. Interacoustics will be demonstrating their video goggle system at the meeting.

For timetable and further information please visit: <http://www.vertigosociety.nz/>

Generously supported by Auckland University of Technology and ECS
